PROFILE

My name is Chaini Mitrsatit, or you can call me Joe. I'm 24 years old and have graduated with a degree in Computer Engineering from Kasetsart University. I am currently looking for a job or internship opportunity to gain practical experience and further develop my skills to be fully prepared for the professional workplace.

EXPERIENCE

APRIL 2024
SENIOR PROJECT

KU WORKOUT BY YOURSELF

Developed a mobile fitness app using React Native and Firebase to recommend workouts and track exercise and diet. Designed for self-guided training with equipment at Kasetsart University.

SEP 2023
FRONTEND
INTERNSHIP

KASIKORN BUSINESS TECHNOLOGY GROUP (KBTG)

During my 6-month internship as a frontend developer, I worked closely with the UX/UI team to implement designs into responsive web applications using Next.js and TypeScript.

JUL 2022
SOFTENG
PROJECT

BARINSTROM

Frontend team, design UX/UI and create component for review passed club

FEB 2022
EXCEED PROJECT

MEAW-FORNTEND

Worked with Google Maps API to show where the traffic alert system installed
